

# Welcome Summer Starters!

Welcome Summer Starters! The Law Library extends a warm welcome to all of our new students in the Summer Starter program.

Please let us know if you have any questions about the library or our services.

## Where's My H: Drive?

During the summer the University IT department needs to perform maintenance work on their servers. Usually in June they delete student files stored on the H: drive.

Although we have not yet heard if this procedure will be followed again this summer, we strongly urge law students with files stored on their H: drive to save them IMMEDIATELY to a zip disk or CD.

## New computers coming soon

Later this summer all computers in the law library computer lab will be upgraded. Our order is being placed this month, with installation planned for the first two weeks in August. The computer lab will also be painted later this summer.

We have scheduled this work to begin after summer session finals and the bar exam are over to minimize disruptions to those who need to use the library or lab. Although most of you will be gone during the first two weeks of August, we wanted to let everyone know about this upcoming project.

Please let Larry Baumgardner know if you have any questions about the summer projects in the computer lab. Thanks.

## Law Library Summer Hours

The law library has revised its summer hours as follows:

1. We will be *open later* (until 11 P.M.) on Sunday–Thursday nights
2. We will be *open on Monday, July 5* and closed on Sunday, July 4

Some of you have asked for longer law school building and/or law library hours so you can study later into the night. We have extended our summer hours until 11 P.M. on Sundays – Thursdays. The law school building will also be open until 11 P.M. on these days. New hours will begin on Sunday, June 27th.

Please note that there are no classes on Monday, July 5th. Most University and law school offices will be closed on July 5th (it's a University Holiday). **The Law Library will be open from 2 P.M.–11 P.M. on Monday, July 5th.**

These changes are designed to extend study hours for all of our students. Please look for our new red signs and handouts with our revised hours. Thanks.

Director of the Law Library
