

# Welcome -- And Welcome Back!

The Law Library would like to extend a warm welcome to all of our new students – and welcome back our returning students, too! We would also like to welcome David Fetrow, our new reference librarian. Please see page two for more information about David.

## The new computers are here!

This summer all computers in the law library computer lab were replaced during the first two weeks in August. New printers and scanners were added, and the lab was painted and spruced up to make it a more pleasant place to do your work.

Many thanks to Larry Baumgardner (and Sean Allen, L-3) for their incredible work this summer on the computer lab upgrade, to Professor Sherry Young for her beautiful campus photos, and to Cheryl Kitchen in Career Services for framing them for us.

Please let us know if you need anything else in the lab.
